

**State Health Systems Resource Centre
Government of Maharashtra, Pune.**

The State Health Society, Government of Maharashtra, has established the State Health Systems Resource Centre (SHSRC). This Centre is responsible to facilitate the implementation of the National Rural Health Mission in the State. The SHSRC would provide necessary technical assistance to the State and Districts. The declining sex ratio in Maharashtra is one of the major concerns. In response, Public Health Department, Government of Maharashtra is taking some activities for reversing the situation. As a part of the initiatives, SHSRC with the support of UNFPA and MaLSA, is organising Series of Judicial Colloquia to sensitise Judicial Magistrates about the PCPNDT Act.

Applications are invited for the Senior Program Coordinator under the same Project:
